

FINAL PROJECT

(IPT)

Name :

Richelle Mae S. Bonayon

Year & Section:

BSIT-2B

Subject Teacher:

Mr. Jonas Macapagal

ACTIVITY 2

```

<!doctype html>
<html>
    <head>
        <title>Activity 2</title>
    </head>
<center>
<body>
    <h1 style="border: 2px #ffd5bf;
background-color: white; color:#ff8a80; border-radius:8px;
border-style:solid;" >My Favorite Application</h1></h1>

<style>
    body {
        background-image: url('pastel.jpg');
        background-repeat: no-repeat;
        background-attachment: fixed;
        background-size: cover;
    }
</style>

    <h2 style="border: 2px #ffd5bf;
background-color: white; color:#ff8a80; border-radius:8px;
border-style:solid;" >YouTube</h2></h2>

    <a href="https://m.youtube.com/">
        </a>

    <p>Pinili ko ito kase
mostly dito ako nanunuod ng mga art tutorials. Dahil doon ay
nagkakaroon ako ng mga idea, para mas padali ang mga gawain
ko. Isa pa sa dahilan ay marami akong pwedeng makuha na
impormasyon. Na magbibigay sa akin ng kaalaman. Katulad na
lamang ng mga balita, music, sports, o di kaya comedy
show.</p><br>

    <h2 style="border: 2px #ffd5bf;
background-color: white; color:#ff8a80; border-radius:8px;
border-style:solid;" >Twitter</h2></h2>

    <a href="https://mobile.twitter.com/">
        </a>

```

<p>Ang Twitter naman ay katulad din ng Facebook. Pero mas maganda itong gamitin dahil marami kang makikitang iba't - ibang trending na balita, o kaya naman mga larawan na bago lang. Ito ay madalas kong gamitin para ma update ako sa mga favorite artist/creator ng isang comics.</p>

<h2 style="border: 2px #ffd5bf; background-color: white; color:#ff8a80; border-radius:8px; border-style:solid;" <h2>Instagram</h2></h2>

<p>Ginagamit ko ang application na ito para mag post ng mga larawan. At katulad ng Twitter ay nakakakuha din ako ng mga balita mula sa mga paborito kong artista. Mayroon din itong mga larawan ng drawing, at inspiration quotes. Na makakatulong upang ma motivated ako sa araw-araw na buhay.</p>

<h2 style="border: 2px #ffd5bf; background-color: white; color:#ff8a80; border-radius:8px; border-style:solid;" <h2>Pinterest</h2></h2>

<p>Ito ang higit kong ginagamit na app. Mahilig kase ako mag search ng mga pictures or reference para sa gagawin kong art. Minsan naman ay meron din itong mga motivational quotes, or di kaya mga short clips para sa mga digital arts videos. Basta maraming makikita dito na bago. At madalas dito nag uupload ang mga artists.</p>

<h2 style="border: 2px #ffd5bf; background-color: white; color:#ff8a80; border-radius:8px; border-style:solid;" <h2>Telegram</h2></h2>

<p>Sa telegram.

Ginagamit ko lamang ito tuwing manunuod ako ng mga movie, or makinig ng music. Pupwede din itong gamitin para makapag message ka sa ibang tao.</p>
